Mrs Gail McClory
Secretary to Gryffe High Parent Council

Dear Mrs McClory

SAFE WALKING ROUTES TO GRYFFE HIGH SCHOOL

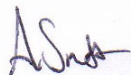

Thank you for your letters dated 8 and 10 September 2011, regarding Safe Walking routes to Gryffe high School.

I can advise that:

- Herras fencing has been erected as a temporary measure at the wall.
- Notice has been served on the owners of the wall for them to carry out repairs
- Once the wall is in a satisfactory condition we will investigate further footway resurfacing work.
- We are working on proposals regarding the reduction of the speed limit.
- And finally for the moment; the flooding problems at this location shall be investigated with a view to clearing drains as appropriate.

I trust this information is of assistance meantime, and can assure you we will monitor the area closely.

Yours sincerely

Drew McNab
Transportation manager
