Chair, Parent Council
Gryffe High School
Old Bridge of Weir Road
Houston
PA6 7EB

Dear Mr. McKinstry

School Road Safety Gryffe High School

Your letter regarding the above has been passed to me to provide you with a response. At this point I can advise you that I have contacted planning and transport department and the school in an attempt to convene a meeting to investigate the concerns you raise. At this point neither the school nor planning and transport have been able to provide me with suitable dates. When this information is available I will ask that Mr. Johnson contacts you in order that you can attend the meeting if this is possible for you.

Yours sincerely

Ian Thomson
Education Manager (Estates)
