#### **Fundraising events 2011-2012**

Christmas Fayre

It was agreed that we get as many stalls as possible and put everything in the gym hall so that there is a better buzz and no stall feels left out!

Fashion Show

Was discussed and options like Matalan will be considered, it was a lot of work, But was very popular with the kids.

Annual Raffle

Need a better uptake and to think of alternatives.

Cont'd

Kid's Pamper Day

This could prove popular and will be considered.

### **Feedback from Pupil Council**

Not yet had 1st mtg.

### **PTA website update**

A huge amount of work has been completed.

Calum is going to also add a list of businesses that support the school with links to their websites.

Amazon link now live so we need to let people know as this will also raise funds.

### **Treasurer's report**

Bank balance is £2029 mostly 100club.

### **Fund distribution- what is the best way to use the funds raised?**

It was discussed that perhaps the 'bids' should be reviewed and it was noted that perhaps some of the requests could be successfully procured through the school budget.

It was also discussed that we perhaps go for a big target-big project.

Perhaps fundraising that gets the kids more involved eg. Bag packing.

Evelyn suggested a number of businesses would happily get involved.

### **Date of next meeting**

Monday 10th October 2011
